

PRIVATE DISPUTE LETTER CLUB

MEETING SUMMARY :

Introduction

~Getting your website compliant
making it accessible to handicapped

Link: <https://accessibe.com>

All About Dispute Reasons

Will a one-word reason work?

How long should your reason be?

multiple dispute reasons

using this because an account can have multiple errors

What Should You Do When the Bureaus Fail to Investigate?

1. Ask why and repeat the same reason.
2. do not use the same reason, use a new one

3. create a manual letter, send additional and relevant information.

4. remind them of their obligation and your right

5. file a complaint

Letter Exercise

Sharing their own letters for next week

Letter Writing Misunderstandings

Using templates

creating letters from scratch

short vs long letters

legal language vs no legal language

Different Ways of Mailing

Traditional Mailing-Regular mail

Letterstream or third-party integration

Faxing

Uploading the letter- only applicable to Experian
(www.experian.com/upload)

Online Disputing

~limited reason

~signing an arbitration giving up rights to sue

Suggestion brought up by Essie:

Employees to be able to turn off and on letterstream.

meaning a permission that the admin can provide for their employees to have this capability.
